IASH is open to NLPers at all levels ... and their families and friends

The 2008 IASH World Health Conference “NLP – Back to Our Roots”

*Come celebrate the spirit of the '70's.
Friday night – disco dance the night away*

San Francisco, California • September 5–7

Pre–conference Seminars, Sept. 4 • Post–conference Sept. 8

Featured presenters will include Steve Andreas, Robert Dilts, Judith De Lozier, Tim Hallbom, Suzi Smith and other worldwide pioneers in NLP. Participants in IASH conferences come from as far away as Europe, Latin America, New Zealand and China.

**For full details about the conference and the proceedings
of past IASH conferences, visit our web site:**

The IASH web site is for YOU! Come and network; explore the forums, articles, discussion groups, member directory, and other great features to support your NLP journey.

IASH was founded by NLP leaders Robert Dilts, Tim Hallbom, and Suzi Smith; and is a non–profit organization maintained entirely by volunteers.
